

The Inside Counsel Revolution: Resolving the Partner-Guardian Tension

There has been a revolution in the legal profession. General Counsel and other inside lawyers have risen in quality, responsibility, power and status. Once second class citizens in corporations and the legal profession, they have become core members of top corporate management, equaling in importance the Chief Financial Officer and the finance function. Benjamin W. Heineman, Jr. has led that revolution in his nearly 20 years as the top lawyer at GE. In this analytic and prescriptive book, he describes the essence of that transformation and the modern role of inside counsel: the key functions, relationships, issues, problems and dilemmas, and argues for the role of inside counsel as lawyer-statesman, motivated not just by the desire for income but by broader values of integrity and corporate citizenship.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband

and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things.
