

How to Become a Dangerous Expert Witness: Advanced Techniques and Strategies

Expert Witness teaches experienced experts how to become dangerous experts. The mere disclosing of a dangerous expert to the opposing side can frequently increase the settlement value of a case. Accordingly, dangerous experts are selective on the types of cases they accept and are able to command premium fees. Opposing lawyers are concerned about the dangerous experts expertise, command of the facts and his ability to communicate, teach and persuade the jury. Dangerous experts understand how to defeat opposing counsels tactics and are even capable of turning the tables on opposing counsel.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects

of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
