The Wild Boys in Love & Domination sizzling series by USA Today Best-Seller Angel Payne now continues with book 2, Handcuffed By Her Hero. A Between a rock and a hard place. To Sergeant Zeke Hayes, the expression has always been a non-factor. There's never been a situation he can't blast, punch, or smart-ass his way out of, which makes him the perfect fit for his Special Forces battalion--and a natural-born Dominant who's made a lot of submissives happy from Mt. Rainier to Vancouver. That all changes when Rayna Chestain enters his world. A rock... From the moment Z snatches Rayna from the lair of a South Asian slave trafficker, his inner grizzly roars to life. This is a huge damn problem, because Z isn't wired to be a one-woman man. Growing up an orphan on the streets of Seattle has taught him that beyond a few hours in a dungeon, trust means disappointment and love leads to agony. But here he is, in the remote wilderness escape he'd promised not to share with anyone, harboring Rayna from a fiend who now wants his pound of revenge flesh from her. A hard place... Sheltering Rayna? Z's never done anything more right in his life. But wanting her? Dreaming of her beneath him, surrendering to his passion and domination? It's the most forbidden fruit he can crave...and the only thing he can't stop thinking about. A new beginning? This is a dead-end canyon that no rifle, bomb or sweet talk will let Zeke escape from. The only way out is to confront the reality of what Rayna has done to him...the mountain she's moved in his intractable heart.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
