Four Classic Justice & Peacebuilding books in the Justice & Peacebuilding seriesâ€”The Little Book of Restorative Justice: Revised and Updated, The Little Book of Victim Offender Conferencing, The Little Book of Family Group Conferences, and The Little Book of Circle Processesâ€”are available in one affordable volume. Restorative justice, with its emphasis on identifying the justice needs of everyone involved in a crime, is a worldwide movement of growing influence that is helping victims and communities heal while holding criminals accountable for their actions. This is not a soft-on-crime, feel-good philosophy, but rather a concrete effort to bring justice and healing to everyone involved in a crime. Circle processes draw from the Native American tradition of gathering in a circle to solve problems as a community. Peacemaking circles are used in neighborhoods, in schools, in the workplace, and in social services to support victims of all kinds, resolve behavior problems, and create positive climates. Each book is written by a scholar at the forefront of these movements, making this important reading for classrooms, community leaders, and anyone involved with conflict resolution.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
