An Aging Parent from a Long Term Care Financial Crisis In California

overwhelmed by the amount of information out there on planning for long term care and protection of a loved one. Im excited to see a book like this that addresses so many of the questions I commonly get asked. This book provides a simple explanation of the basic planning strategies and the issues that elders and their families need to be thinking about in order to plan for long term care and avoid court involvement if incapacity ever strikes. -David B. Gaw, J.D., Gaw Van Male, a Professional Corporation Brenda Geiger and Bradley Erdosi have written this book to provide you with valuable information regarding the types of problems we help our clients solve. Elder Law attorneys help seniors plan access to future medical care, and help ensure that aging adults continue to have a high quality of life when it matters most. You may not have ever thought about or even thought to ask some of the questions answered in this book. Our purpose is to act as your guide to help you plan to protect yourself or a loved one so that you are not forced into the court process down the road or left wondering how are we going to afford to pay for long term care. This book is about ensuring your piece of mind. The book also features an extensive chapter on qualifying for VA benefits. Brenda Geigers grandfather, Bernard Godfrey, served as a bombardier in WWII in the Airforce. Ive always been very proud of both of my grandfathers for serving our great nation. Without our veterans, we would not experience the freedom we have all become so accustomed to. -Brenda Geiger

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things.
