

House Calls: Callaghan Brothers, Book 3

Maggie Flynn has always been a good girl. She leads a simple life and believes in helping others. Under normal circumstances, she would never even consider performing the dance of the seven veils at a bachelor party. But when her best friend begs for help and waves the promise of much-needed cash in her face, Maggie reluctantly agrees to step outside of her comfort zone and relax her lofty standards a little. Most doctors don't make house calls anymore, including Michael Callaghan. But he's willing to make an exception when the pretty redhead with the jewel-like green eyes takes a header off the stage at his brother's bachelor party. Something about her piques his masculine interest, and it's not just her dancing. Lightning hits the Callaghan clan a third time when Michael and Maggie find themselves snowbound during a classic nor'easter, but their bond is soon tested when Michael is forced to choose between following his finely-honed instincts and respecting Maggie's wishes. It's a hell of a choice. Either way, he could lose her forever.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
