

Last of the Red-Hot Cowboys: A Hells Outlaws Novel

A New cowgirl gives a rugged Texas loner the ride of his life in USA Today bestselling author Tina Leonard's seductive new series. Ava Buchanan dreams of a career on the rodeo circuit. Winning a spot on a one-of-a-kind team would be her ticket to the life she's always wanted. Ava won't let anyone stand in her way—not even a stubborn cowboy whose slow-molasses smile and red-hot swagger set her senses aflame ... and whose talents as a trainer could make her a star. Rodeo might be a man's game, but Ava knows the right woman's touch can tame the wildest heart. Trace Carter believes his mayor's plan to raise the town's profile has disaster written all over it, and he won't allow the Hell's Outlaws Training Center to be dragged into the fiasco. Yet watching Ava's delectable body on horseback proves too much of a temptation, and his fantasies stray to her riding skills outside the arena. Soon Trace is fighting like hell to rein in his unbridled desire for the petite brunette before it becomes a passion hotter than the Texas sun. Praise for Last of the Red-Hot Cowboys "If you like your cowboys smokin' and your cowgirls sassy, you'll love the sparks that fly between Trace and Ava in Tina Leonard's Last of the Red-Hot Cowboys." —Laura Moore, author of Once Tasted "Perfect for readers who enjoy heroes and heroines who clash upon first meeting and several times thereafter." —Library Journal (starred review) "Hijinks and conflict propel Leonard's first entry in her Hell's Outlaws series, Last of the Red-Hot

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
