

The Land Without A Banking Law: How To Start A Bank With A Thousand Dollars

Online Bank and offer banking services to clients worldwide? Although the total investment required for setting up a banking business, just as any other business, obviously varies depending on the business model, it is quite possible to form and register a business entity with full legal capacity to offer banking services, for a total cost of less than one thousand dollars, just as the perhaps somewhat controversial subtitle of this book indicates. While there are laws in New Zealand regulating financial activities, there are no regulatory entry barriers as such for the business of banking when services are offered to non-residents only (offshore). This book will teach you how to register a New Zealand business entity online with legal capacity to offer banking services to any number of clients, resident anywhere in the world. Step by step instructions are included. The regulatory framework and upcoming changes to the relevant legislation are explained.

BLOGS, HERMES, MY STUFF, PERSONAL, POETRY, WRITING Eirwyn p1 POSTED ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
