

Fight Back Legal Abuse: How to Protect Yourself From Your Own Attorney

“Fight Back Legal Abuse” is the story of one woman’s fight against a corrupt legal system. Following her own dealings with three negligent attorneys, as well as years of case studies from the abused, author Rose Colombo fights back as an advocate for victims of legal abuse. With her “Ph.D. in judicial corruption,” Colombo uses more than two decades of true short stories related to injustices, first-hand experiences; documentation, interviews, and proposals of new laws, to make a case for the reformation of the judicial system. Rose Colombo hit the news when she asked the question, How much justice can you afford? Written in a language understood by all, void of the legal jargon used by lawyers to overwhelm and confuse their clients, Colombo fights back and refuses to go down to the level of corrupt lawyers. Instead, she forces them to come up to hers.

Fortunately for his kingdom his young queen, Bywyd was as

sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things.
