

## Horse Page-A-Day Gallery Calendar 2017

A powerful Friesian. A pair of Haflinger stallions. An Arabian, rearing up. And a sturdy Icelandic horse, demonstrating the breed's distinctive gait. An exquisite gift for the horse lover, this calendar celebrates horses around the world with hundreds of portraits in breathtaking natural settings. A ripple of muscle, a flowing mane, a deep, soulful expression—each image captures the finest details and that untamed equine spirit.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
