

London Street Fronts 2016 / UK-Version: A Unique Perspective on London's Historic Architecture. This Calendar Presents Street Facades from the English ... Photographic Montage Works (Calvendo Placés)

Street Facades photographed for this calendar have never been seen this way before as they were created as a montage out of photographs from different viewpoints along the street. Included are typical London style streets from Chelsea, South Kensington, the West End and Camden with styles mostly ranging from Georgian to Victorian architecture. Some particular interesting street fronts are the Savoy, complete in one view, or the coloured faces of the shops along Camden High Street. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirion's ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
