

EDIBLES calendar 2013

The beautiful EDIBLES 2013 calendar is once again a celebration of nature's bounty. This full color 12 inch x 12 inch wall calendar, published since 1978, features stunning photographs of fruits and vegetables. All the photographs are by award winning photographer Robert Kaufman. Kaufman has been photographing fruits and vegetables in their natural state as a vehicle to explore the shapes, textures and colors that nature offers us in these everyday foods. EDIBLES is the ideal calendar to hang in the kitchen. It not only inspires the cook but is a fine art photography calendar that dresses up any kitchen wall. The 2013 EDIBLES features a cover of blueberries that make you want to pick the berry off the page and pop it in your mouth. The sumptuous March image makes your mouth water for a delicious piece of cantaloupe. At the end of August you will not want to change the page because you will be so enamored with the cherries on the page. Each month offers a new and exciting image from grapes and chard to Brussels sprouts and cherimoya. Whether you are a foodie, health enthusiast or a fine art photography buff, EDIBLES has something for you.

The calendar is printed on high quality paper with a lamination cover and the grid offers lots of room to write in important dates and appointments. For only \$13.99 you get a years worth of fine art and visual treats.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *May it please your Majesty.* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
