DISCOVER MASTERSHIP TO  
 RISK (9781599326320)  
 AND YOUR LIFE You™ve  
 heard the horror stories of  
 malpractice•of doctors who lost  
 their license and were forced to  
 close their practice. With so much  
 time, energy, and money on the  
 line, it only makes sense to protect  
 your livelihood. World™s best  
 Doctors shows how you can  
 safely practice medicine and  
 protect your business from legal  
 trouble. With over a decade of  
 experience representing and  
 protecting doctors, Victoria Soto  
 knows that the threat is very real.  
 To become the subject of a  
 lawsuit, you don™t need to be  
 at fault, but you can take steps to  
 reduce and survive such an  
 assault. Sometimes it just takes  
 some good manners. Inside,  
 you™ll learn:• the  
 importance of telling the truth•  
 how to take responsibility and  
 apologize• to assess your  
 behavior and how it impacts  
 others• how to make a better  
 impression Who knew that the  
 manners you learned as a kid  
 could save your career?

BLOGS, HERMES, MY STUFF, PERSONAL, POETRY, WRITING Eirwyn p1 POSTED ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
