

Jaxson (River Pack Wolves 1) - New Adult Paranormal Romance

HERE:
<http://smarturl.it/AlphaLoversNews> Three brothers. Three Secrets. One hope to save the shifters of Seattle. Former SEAL Jaxson River would give his life for his brothers and his pack, but if he doesn't claim a mate soon, he'll be forced to step down as their alpha. There's only one problem: Jaxson's dark secret would kill any mate he claimed. With someone kidnapping shifters off the street and only Jaxson and his brothers, Jace and Jared, to stop them now is not the time for his secret to come out. Curvy Olivia Lilyfield is a half-witch orphan with a dark secret of her own. She wants to atone for it by doing good in the world, so when she finds a wolf being tortured in an alley, she doesn't hesitate to help even though wolves and witches mix like matches and TNT. Olivia's dangerous magic means she can't let anyone get too close but Jaxson can't keep his hands off her, and his kisses are more than she can resist. As they race to save the disappearing shifters of Seattle, the true danger lies in loving each other. They're playing with magical fire and their secrets could end up destroying them both. Jaxson is a complete novel with HEA, the first in the River Pack Wolves trilogy. Contains scorching hot shifters, alpha military heroes, and sexy witches. Only readers over 18 should dive into the deliciously hot world of the River brothers. GET A FREE ALISA WOODS STORY (copy/paste into your browser): smarturl.it/AlphaLoversNews

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
