

A Sea of Broken Hearts: Patient Rights in a Dangerous, Profit-Driven Health Care System

Dangerous, Profit-Driven runners, baby-boomers, and anyone who suspects that they or a loved one has been harmed by medical errors in our health care system. Hundreds of thousands of Americans die each year from medical errors, but most mistakes are kept secret from patients. After learning a few basic tools of cardiology, the reader shares a journey of heartbreaking mystery and discovery as a father pieces together the events that led to the death of his 19-year old son, despite extensive evaluation by a team of cardiologists. That personal struggle opens into a broad-ranging examination of our profit-driven health care system. The story concludes with an appeal for ten patients rights to protect us all before we personally encounter the dangers of our health care system.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *ÀçÀ€Àœ*May it please your Majesty.*ÀçÀ€À•* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon

blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me.
