

# Corporate Governance and Stewardship: Emerging Role and Responsibilities of Corporate Boards and Directors

Corporate scams in recent years have pushed corporate governance to the centre-stage in media, management academia and corporate world, raising questions on the credibility of corporations worldwide-their reputation, professed values, projected performances and commitment to the protection of shareholders interests. Corporate Governance and Stewardship addresses the dire need for a critical scrutiny and urgent reform of corporate governance models and practices drawing upon the authors vast industry and academic experience, particularly his board-level responsibilities and pioneering role in designing and teaching courses in corporate governance. Combining practical applications with academic research, this book:

- Review global initiatives in corporate governance
- Lays down the basic requirements of governance, i.e., legislative and regulatory dos and donts from a study of the best Indian and international practices, and illumines their business and societal rationale
- Delineates the structure, composition, processes, and responsibilities of the board and evaluation metrics of the board and its directors.
- Explores the complementary role of the board and the executive in corporate strategy and risk management
- Highlights the criticality and nitty-gritty of communication and disclosure of information
- Discusses ethical issues of corporate values, reputation and accountability to stakeholders

This book seeks to promote better understanding and practice of good corporate governance among company directors and senior executives; policy makers; and management

faculty, researchers and students for sustainable corporate success. Corporations have grown enormously to a position of pre-eminence, such that their assets and revenues exceed the GDP of several sovereign countries put together. That such a powerful component of the economy is creating enormous national wealth is not only a matter of great satisfaction to national governments, but also a cause of severe concern to ensure that it operates in conformity with accepted norms. There is a real possibility of expropriation of the created wealth and wealth-creating assets by those in operational control of the enterprise. It is in a country's national economic interest to contain such devious practices. Corporate governance is considered an inseparable element in the country's economic DNA. It is the government's responsibility to provide for an orderly environment that would inspire confidence and trust on the part of domestic and international investors. This compelling rationale for good corporate governance is best driven home by a growing incidence of corporate failures and misdemeanours such as those in Enron, WorldCom, Lehman Brothers, and Satyam, and an equally growing demand for setting things right in the boardroom. Responding to this demand, Corporate Governance and Stewardship comes as a timely offering from a dedicated proponent and strategist of good governance.

Fuck. POSTED IN LIFE A Prayer POSTED ON NOVEMBER 27, 2015 You are, of course, too much I am easily tired and slow Where you

run on for days without rest: The God of ultra-marathons and Bolt Who still jogs beside me on my 12-minute mile Where you work without end: The Messenger for Gods without rest or relent Who pulls me to my feet on 14 hour shifts Where you laugh without reserve: The Prankster who steals their best friends cows Who reminds me that may it harm none we all need to have fun Where you lead: The Guide today until death Who rides beside me on long sleepy nights Enagonius, Poneomenos, Mechanotes, Diaktoros Transcendent and eternal You called to me and I fall at your feet I thank you, Lord Hermes, for your blessings and your indulgence as I find my way on your path POSTED IN LIFE TAGGED DRU TALKS GODS, HELLENIC POLYTHEIST, HERMES, POLYTHEISM, PRAYER Drunk Advice From A God POSTED ON NOVEMBER 3, 2015 2 the days are pouring nectar down my throat so thick and sweet that it makes my teeth brittle in exhalation to life and he tastes like spiced wine, in-toxicating and scalding as he elevates me the way a lift carries you as high as you ask it as high as its able He laughs: Burn Your Feet flying through inexorable hours you once spent languishing in despondence Reach out with both your hands for Death and screech your joy when She recoils, smiling POSTED IN LIFE TAGGED DEVOTIONAL STUFF, DRU BLOGS, HERMES, MY STUFF, PERSONAL, POETRY, WRITING Eirwyn p1 POSTED ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?, WRITING vibrato POSTED ON JULY 8, 2015 OK. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdammed bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me.
