2012 Reprint of 1961 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. In this title Nizer recounts some of his significant civil and criminal cases. The tension of the courtroom and the fervor of the advocate pervaded his books, including *My Life in Court*, which made him nationally famous. It rose to the top of *The Times* best-seller list and logged 72 weeks as a sales leader. One critic praised it as entertaining and philosophically instructive, an unusual combination. The book included stories of court cases that Mr. Nizer had won, including the famous libel action that the writer Quentin Reynolds, with Mr. Nizer as his lawyer, brought successfully against the columnist Westbrook Pegler. The account of that case served as the basis of the 1963 Broadway play *A Case of Libel*.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband

and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
