

The Soldier & The Baby

This wasn't Anne Stuart's first romance with a military hero, but the nun heroine was a new twist—one the author still gets a kick out of. After making a deathbed promise to an army buddy, Reilly travels to a wartorn country to rescue his friend's wife and child. But the woman he finds is nothing like the woman he imagined. Carlie, a novice with the Sisters of Benevolence, stays behind to care for an expectant woman when the rest of the convent's nuns flee. After the new mother dies, Carlie is determined to save her infant boy from the rebels who would kill him. Then a gruff American shows up to take her and the baby to safety. Can Carlie trust Reilly? And can she trust herself to resist the temptation to give in to just one night of passion? Previously published.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon

blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me.
