

Juggling Life, Work, and Caregiving

A staggering 42 million Americans—one in four adults—face the challenges of caring for an adult friend or relative. Although caregiving can be a richly rewarding and joyful experience, the role comes with enormous responsibilities—and pressures. AARP's gentle guide provides practical resources and tips that are easy to find when you need them, whether you're caregiving day to day, planning for future needs, or in the middle of a crisis. Equally important, this book helps you care for the caregiver—you—before, during, and after caregiving. Author Amy Goyer, an expert in aging and families, offers insight, inspiration, and poignant stories and experiences of caregivers, including her own as a live-in caregiver for her parents.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced

that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things.
