

Waking Jamal

Their physical and mental survival depends on them bonding. Jamal Zumati joins the military, determined to repay the country that fed and housed him. But during his Hamask activation, his senses go offline and he enters a berserker rage. The United States Hamrammr Program, or USHP, has only one option: put him into hibernation. Despite his extraordinary ability to read and manipulate situations, Vargr Lt. Rum Walker has stepped on one too many brass toes, and the USHP demoted him back to teaching new candidates. Rum is one paranoid thought away from self-destruction when he is recruited for a covert mission: pull Jamal from hibernation. The problem is, no one has ever survived a berserker fury—at least not officially. If Rum is to challenge the military stereotypes, he not only need to wake Jamal—he need to get him to agree to be bonded as a Hamra Pair, the ultimate supersoldier team. When Jamal and Rum team up with an FBI Hamra Pair to stop the terrorist group Dios Provee, Rum thinks he show Jamal their true potential lies in an equal partnership, but Jamal is convinced Rum should take the lead. Will Rum stop Jamal from going berserk again and destroying both of their futures?

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. Im shaking apart inside Tremors that are too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things.
