Joy of Cooking is the best-selling cookbook of all time. These days, few things can be legitimately called classic or timeless. Yet those words seem to perfectly describe Joy of Cooking, the indispensable cookbook that for more than eighty years has been bible and kitchen companion to renowned chefs and household cooks alike. Once again, the Joy of Cooking 2014 Day-to-Day Calendar--the fifteenth edition--borrows from this esteemed source and presents helpful daily kitchen and culinary hints, while its weekly undated pages provide a favorite recipe to try.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people.
