

SEALs Bride: A Secret Baby Romance

I live for f*cking and fighting. From Fallujah to Catahoula, ex-SEAL Sawyer Roman™ left a trail of broken hearts in his wake. Settle down? Hell, the ripped, fierce bad boy doesn't™ even bed the same woman twice. When he winds up back in his hometown, he™ got no intention of changing his ways. F*ck the comforts of small-town life, there's™ a world full of p*ssy out there to reel in. That is, until he sees her. Remy River, the gorgeous blonde knockout who slams the door in his face -- apparently, she hasn't™ forgiven him for his past sins. Time to conquer the unconquerable. I had his baby, and he doesn't™ know. Four years ago, Remy made a huge mistake. Lovesick and impulsive, she slept with Sawyer Roman. And while he was off shooting bad guys, she had his baby. He doesn't™ know Shiloh is his son, and if she ever tells him, his family's™ threatened to ruin her life. But now he's™ back, damaged but hotter than ever, and he still wants her. If only she could resist his kisses, but Remy melts when he looks at her like that. But this secret's™ weighing on her soul, the guilt getting heavier and heavier every day. Remy has to tell Sawyer that Shiloh is his, but can they start fresh? Or will it be the tragic end to their love story? Happily ever after. No cheating. No cliffhangers!! This book is approximately 53,000 words. This edition contains a bonus novel -- Punt: A Bad Boy Sports Romance -- absolutely free!!!

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
