A New York Times Bestselling Author The letters Kyla sent to her husband, Richard, stationed a world away, spoke of a love that stretched across the ocean and held the young couple together. But tragedy ended their marriage too soon, leaving Kyla a widow with a newborn son. Richard left behind only a metal box filled with his wife's declarations of true love, carried home by his best friend Trevor Rule. With each letter Trevor read, he fell more in love with the gentle, passionate woman who had penned them.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
