

Kindle Voyage Users Manual: A Guide to Getting Started, Advanced Tips and Tricks, and Finding Unlimited Free Books

Kindle Voyage, to the max! Hi, Im Steve Weber, publisher of Kindle Buffet, a daily list of free and discounted Kindle books. You can get a free subscription at KindleBuffet.com. After you buy this book, head over to the Buffet and chow down! Amazons newest Kindle, the Voyage, sets the gold standard for eReaders. Its noticeably lighter and smaller than its predecessor, the Paperwhite. When you consider the quality of the hardware plus the richness of Amazons unsurpassed library of content, its an unbeatable combination. Nothing else even comes close, and nothing can threaten the Voyages dominance for the foreseeable future. The biggest improvement the Voyage brings is its incredible display, which equals the sharpness and contrast of the printed page. When you compare the Voyage and Paperwhite side by side, the Paperwhites display is fuzzy and blotchy. Yes, the Voyage costs a bit extra, but its worth every penny to the discriminating reader. The Voyage is the perfect e-reader, whether youre sitting on the beach or reclined in bed. With no glare in bright sunlight, and the built-in backlight, you can read for hours on end with no eyestrain whatsoever, and no worrying about battery stamina. Lighter in weight than most small paperbacks, the Voyage allows you to concentrate on reading, without distractions like email.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
