Sweet Home Christmas: Ruby and Cliff have returned home to their small Arkansas town after serving in World War II. Small-Town Christmas: Sophia never expected to return to her hometown, but she's converting her grandparents' Victorian mansion into a cafe. Then her childhood friend Jon walks into her cafe and back into her life. As Christmas descends upon the Ozark hills, Jon woos Sophie with a tender love that makes her feel like she's come home.

So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN
