Bike EXIF Calendar 2015 were crafted by artisan builders from around the world. They stem from varied backgrounds and take distinctive approaches, but all produce brilliant results. For the guys at Wrenchmonkees this meant drawing upon 16 years of experience to produce a unique and stunning Laverda 750. In the case of Bill Costello, his BMW R100T Custom was only his second build. With the help of local craftsmen at an auto interior shop, a machinist and a wheel maker, Bill was able to create a thoroughly impressive bike. Another commonality of all the builders was their focus to do whatever necessary to achieve their vision of the perfect bike. For Christian Schwarzenlander of ExesoR this meant sourcing the basis for his Honda CB Cafe Racer on eBay for a mere \$340.00. In contrast, Max Hazan crafted his Harley Ironhead entirely from scratch to build without compromising the design.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
