

Shared By The Alpha Bears Three (Menage Paranormal Romance)

Conclusion to this controversial bear shifter series... With Billie now pregnant and carrying a bear cub inside her she has plenty to worry about regarding the pregnancy and giving birth. However, as word begins to spread that a human is carrying a werebear child, the bears and Billie find they begin to get unwanted attention and they realize they have no choice but to RUN.... Warning: This bear shifter romance is very, very HOT and includes sexual scenes with themes such as steamy menage a trois, saucy mmf threesomes, exciting group sex and a lot more. Only read if you are open minded.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *May it please your Majesty.* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday,

Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?, WRITING vibrato POSTED ON JULY 8, 2015 OK.
