

Virtual Law Practice: How to Deliver Legal Services Online

The legal market has recently experienced a dramatic shift as lawyers seek out alternative methods of practicing law and providing more affordable legal services. Virtual law practice is revolutionizing the way the public receives legal services and how legal professionals work with clients. Stephanie Kimbro's practical guide teaches lawyers how to set up and run a virtual law firm. It provides case studies of individual virtual law practices along with client scenarios to show how web-based technology may be used by legal professionals to work with online clients and avoid malpractice risks.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday,

Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?, WRITING vibrato POSTED ON JULY 8, 2015 OK.
