

The Calamity Janes: Lauren

#1 New York Times bestselling author Sherryl Woods returns with a story of the Calamity Janes—fierce friends facing challenges in life and love. Lauren Winters has achieved fame and fortune, but all she wants when she goes home to Winding River, Wyoming, for a reunion with old friends is a break from her high-profile career. Seizing the chance to work incognito as a horse trainer for Wade Owens, she revels in the wranglers attention. But how is the man whos disdainful of the rich and powerful going to feel when he discovers shes deceived him? Will Wade be able to see past her celebrity and believe in the woman whos fallen in love with him? Originally published as Wrangling the Redhead.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives.

And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
