

Dont Count the Yess, Count the Nos

Selling is rejection, plain and simple. The top salespeople can deal with it, the rest cant. Ask any sales VP or sales manager and theyll all tell you the same thing. The biggest reason their salespeople do not bring in enough business is that they dont see enough people. They dont see enough people because they fear rejection. They fear rejection because they dont know how much rejection they need. In this book, you will learn the five important areas of prospecting: Why prospecting and generating consistent every day activity is so important, How to handle rejection by understanding how much rejection you need. How to prepare for and make the prospecting call, How to anticipate, handle and turn around objections, Why you need to practice every day! Learn how to control the conversation while anticipating and turning around objections better than ever. You will be given a simple, easy-to-use call counting system that will allow you to know your success ratios for every step of the sales process. This call counting system will teach how to handle rejection better than you ever have, which will enable you to Make more calls Speak to more decision makers Sell more appointments, and make more presentations Close more sales and make more money

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
