

Modern American Remedies: Cases and Materials, Concise Fourth Edition (Aspen Casebook Series)

Cases and Materials is known for a strong organization that highlights remedies categories and concepts within daily teaching units of roughly equal length, each focused on a clear central theme. The text achieves a solid balance of public and private law and integrates basic legal and economic information, without letting either dominate the book. Memorable cases and well-written notes offer plenty of information to inform class discussion. Following the same organization, scope of coverage, and daily units as the Fourth Edition, the Concise Fourth features tightly focused notes emphasizing basic principles and central points, with fewer illustrations and fewer collateral issues. The volume of notes has been reduced by more than 35%. The Fourth Edition introduces 36 new principal cases, including: *In re September 11th Litigation* (on the measure of damages for the destruction of the World Trade Center); *eBay v. MercExchange LLC* (on the prerequisites to an injunction, or on undue hardship, depending on ones point of view); *Exxon Shipping Co. v. Baker* (on the federal common law standard for measuring punitive damages); and *Philip Morris USA v. Williams* (on the constitutional limits on punitive damages). Substantial reworking of Chapter 8, on restitution, reflects the Restatement (Third) of Restitution and Unjust Enrichment.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
