that she was resisting to fulfill. She just wanted to keep it as that, only a fantasy. The truth is, Iâ€™ve always imagined watching her being stretched, but when she admitted that she had rubbed against my best friend, Mike, and he was perfect size just for her little tight fantasy in her head, I had other thoughts that I knew she would definitely be resisting even stronger. This is how I got Mike to come over and how I got her all dolled up in that sexy short school uniform for both me and Big Mike at our pool table and this is exactly what happened. BLOGS, HERMES, MY STUFF, PERSONAL, POETRY, WRITING Eirwyn p1 POSTED ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
