

Steamy Poems of Love & Lust

Preface—Steamy Poems of Love and Lust— is Steamy Raimon's first chapbook. This is a hard-hitting, explicit and soulful collection of 36 poems pulling inspiration from personal experience, as well as empathetic experimentation. These offerings run the gamut of poems full of beauty and charm, to those of pain and anger, humor, and salaciousness. Prepare for a roller coaster of graphic mental images which will flood your mind and challenge your senses. Some of the titles of poems in this collection: —Driving While Wounded—, —I Remember You—, —Unfair Expectations from a Myriad of Women—, —Porn Addiction—, —Strong Like—, —Layer Player—, —Once—, —Valkyrie—, —Silent Terri—. samples: Unrequited When I hear your voice I'm home When I look into your eyes I'm transported When your lips meet mine I melt When you're in my arms—but you are not. My Girlfriend's Girlfriend I've tried your brand of insanity Thanks But I'll stick to my own And all our time has gone to waste Because you listened to your Girlfriend with the personality of paste It's little wonder your girlfriend Doesn't like me Isn't it you Feeding her your twisted view Of who I am She'll stick to you like glue Because she has no life You're her bestest friend Her shoulder And truth be told Her fantasy lover You're good together Telling each other you're both right But the past can't be the future You'll find Paste Is just a waste I Remember You (version 1) I

remember youAre the one who said youâ€™d treat me to Joeâ€™s Crab ShackI remember youAre the one who said you couldnâ€™t live without meI remember youSaid weâ€™d live our lives out and die togetherI remember youWere the one who would marry me at Hoover DamI remember youAs the one who filled my life with joy and sorrowI remember youPushed me away after you got back on your feetI remember youAre the special one I will always love and missI remember youAbout the AuthorThe poems of Steamy Raimon have been shared on social networks of Google+, Facebook, MySpace, Talent Database and Deviant Art. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended

concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
