

## Behind Concrete Doors

Through his erotic poetry and spoken word, Aaron Powell opens the closet door on the down-low Blatino lifestyle. Through his true stories posing as fiction and prose, Powell shares the secret lives of men who seek sex, love, acceptance—and more sex. When you are Behind Concrete Doors, you will get a peek at the dirty deeds done in barbershops, bump bubble butts with your favorite news anchor in the club, and experience the raw emotions of having to hide sexual identity, and losing a friend to AIDS. No subject is untouched. And all doors are wide open here.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet “May it please your Majesty.” So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?,
