NOVEMBER 27, 2015 You are, of course, too much I am easily tired and slow Where you
run on for days without rest: The God of ultra-marathons and Bolt Who still jogs beside me on
my 12-minute mile Where you work without end: The Messenger for Gods without rest or
relent Who pulls me to my feet on 14 hour shifts Where you laugh without reserve: The
Prankster who steals their best friends cows Who reminds me that may it harm none we all
need to have fun Where you lead: The Guide today until death Who rides beside me on long
sleepy nights Enagonius, Poneomenos, Mechaniotos, Diaktoros Transcendent and eternal
You called to me and I fall at your feet I thank you, Lord Hermes, for your blessings and your

God POSTED ON NOVEMBER 3, 2015 2 the days are pouring nectar down my throat so
thick and sweet that it makes my teeth brittle in exhalation to life and he tastes like spiced
wine, in-toxicating and scalding as he elevates me the way a lift carries you as high as you ask
it as high as its able He laughs: Burn Your Feet flying through inexorable hours you once
spent languishing in despondence Reach out with both your hands for Death and screech your
joy when She recoils, smiling POSTED IN LIFE TAGGED DEVOTIONAL STUFF, DRU

ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the
kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as
sharp as he was dull. She advised him in all matters of state, and benevolently attended
concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband
and a quiet "May it please your Majesty." So it was that they ruled in peace
for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon
blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced
that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives.
And when the child was born, with raven black hair so dark against eyes as blue as lightning
and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects
of the dragon that she must must ever personify to rule her people. Before her sixth birthday,
Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN
