

Touch Me: Semper Fi Marines (Volume 3)

A man trying to forget. Jackson Johnson had always planned to spend his life in the Marines serving his country—that is until he came back from a mission with memories he’d rather not have. He feels like he’s circling the drain until he meets the new tenant next door. An altercation with her unruly dog has them at odds. That is until he finds himself kissing her. A woman who doesn’t have time for love. Veterinarian Hannah Richmond doesn’t have time for the surly Marine or any man for that matter. Still, resisting his kisses proves futile and soon she finds herself falling for Jack. For the first time in a really long time she discovers she might just want to try for that happily ever after—that is until her past comes back to haunt her. A Marine determined to prove his love. Jack knows Hannah is pushing him away because she wants to keep him safe but there is one thing she needs to understand: this Marine will never retreat until she surrenders.

ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
