

## Beyond Affection: Callaghan Brothers, Book 6

Shane Callaghan is used to drawing female attention, but this is the first time a woman actually drooled over him. From the moment he spotted the pretty blonde catching a few Zâ€™s during his lecture, a spark ignited deep in his chest. And each minute he spends with the gentle-hearted Kindergarten teacher only fans the flames. Lacie McCain is not the type of woman to be easily smitten, but as soon as the gorgeous lawyer turns those beautiful blues her way, she is a goner. His quiet intensity and gentlemanly charm are impossible to resist. Shane and Lacie are meant to be together. Everyone can see that. Everyone except the one who is determined to keep them apart.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *“May it please your Majesty.”* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning

and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
