Connor Iâ€™m a shell-shocked former soldier. I keep my head down, focus on my bodyguard job. But when my new client is Elly f*cking Parsons, the worldâ€™s most famous pop star, things start to unravel with a quickness. Her body tempts me like no other. Her smile lights up the darkness inside me. The feel of her lips on my skin sets my f*cking soul on fireâ€¦ I canâ€™t have her. Iâ€™m all wrong for the sexy starlet, I will wreck her reputation and leave her heart in shreds. If only knowing that could somehow make me stay away. I offered her PROTECTION, but I canâ€™t keep us from what we both want... Elly I live in the spotlight, which is never easy. Still, when I find out that my sexy new bodyguard is also about to be my stepbrother, my life getsâ€¦ harder. With a crazy fan dogging my every step and threatening my life, I turn to Connor for safety. In the close quarters of my US tour, Connorâ€™s protection turns to intimacy. From the moment our lips touch, Connorâ€™s got me so hot that I can barely contain my hunger. Iâ€™m starved for it, dying for it. Canâ€™t get enough of his hands, his mouth, hisâ€¦ everything. Plagued by paparazzi, driven to secrecy, unable to stop the feelings that bloom between us, Connor and I are a scandal waiting to happenâ€¦ I need Connor like I need air to breathe, but if I fall for him, if I tell the world my dirty little secretâ€¦ No PROTECTION in the world can save me from what will happen next. Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
