

The Expert Expert Witness: More Maxims and Guidelines for Testifying in Court

Brodsky's books have been essential guides for psychologists, psychiatrists, and other mental health professionals who are called to testify as expert witnesses. In this comprehensive update to a classic text, Brodsky is joined by forensic psychiatrist Thomas Gutheil to teach expert witnesses new and improved techniques for giving effective testimony. With sharp wit, they pull lessons from real-life scenarios that will amuse readers and prepare them for direct and cross-examination.

ON JULY 8, 2015 Once upon a time, in a land bordered by a lush, dark wood, there ruled the
kind but simple king, Gwirion. Fortunately for his kingdom his young queen, Bywyd was as
sharp as he was dull. She advised him in all matters of state, and benevolently attended
concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband
and a quiet "May it please your Majesty." So it was that they ruled in peace
for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon
blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced
that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives.
And when the child was born, with raven black hair so dark against eyes as blue as lightning
and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects
of the dragon that she must ever personify to rule her people. Before her sixth birthday,
Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN

WRITING vibrato POSTED ON JULY 8, 2015 OK. Im shaking apart inside Tremors that are

too fine to be seen or felt Maybe i can hear them though? If I listen v carefully Cool. Im not really sure why. Maybe minds are meant to fall apart when theyre as delicately stitched together as mine? Ooh or Im picking at the metaphorical seams because Im just so godsdamned bored! Yas. Lets make this an intentional thing Consequences of choices are always easier to stomach Even if theyre shitty Mm. Learn to trust your audience, right? Youre all such bright young things. Your capable and endlessly receptive. Just Like me.
