

Crash! Motorsports Mayhem 2010

Attention: No drivers were hurt in the making of this calendar! (Well, not seriously, anyway.) True race fans know there's more to racing than just crashes. (Although they are really cool.) People who don't follow racing still love to watch the crashes. So this calendar is for everyone! This spectacular, full-color calendar is filled with photos of some of the most jaw-dropping wrecks in recent auto racing memory, including thrills, spills, and mechanical carnage from NASCAR®, Formula 1®, the Indy Racing League®, and many other series. Buckle up, hold on tight, and get ready for a wild ride!
