The Seasons of Fruits and Vegetables Wall Calendar will delight any foodie, a gardener, or gourmand. Each month features a beautifully drawn example of seasonal produce, including spring herbs, summer heirloom lettuces, autumn pumpkins, and winter greens. The artist John Burgoyne's collectible prints combine the precision of a botanical illustration with the passion of a fine painting. Burgoyne's works are instantly recognizable to the millions who have admired his gorgeously detailed illustrations in *Cook's Illustrated* magazine and cookbooks from *America's Test Kitchen*.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects

of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
