

Immigration Law for Paralegals, Fourth Edition

Immigration Law for Paralegals is an indispensable and practical guide on U.S. immigration, citizenship and visa procedures for instructing and training students or anyone interested in a career as an immigration paralegal or legal assistant. This fourth edition updates and expands the third, including coverage of Provisional Unlawful Presence Waiver and DACA (Deferred Action for Childhood Arrivals). Contents of Immigration Law for Paralegals include: interviewing, gathering information, case management and document preparation techniques; analysis of temporary and permanent employment visas; analysis of family-based petitions, political asylum and naturalization; as well as samples of completed applications, a glossary of terms and useful appendices. Each visa category is set forth in a clear and concise manner, with real-life and hypothetical situations at the end of each chapter, allowing students to visualize actual problems and issues that arise when processing a case. Further, in responding to the hypothetical situations, students will look to the United States immigration statutes, rules and regulations and precedent and administrative policies to resolve issues. Additionally, each section contains a completed sample application, definition of legal terms, and exercises modeled after tasks paralegals may encounter on the job, including the preparation of relative petitions (Form I-130) and the adjustment of a status package (Forms I-485, G-325A, I-131, I-765, I-864A, and G-28). In keeping with the concise format of each chapter, excerpts from Federal, AAO, and BIA decisions

will be cited or footnoted where relevant. The Glossary and Appendices include Immigration Law resources; USCIS Local, Regional and Service Center addresses; questions and answers for the naturalization exam; blank USCIS forms; Credential Evaluation sample request forms and a list of agencies; sample USCIS color photograph specifications, sample medical form (I-688); and IRS Individual Tax ID Number Request (SS-4). The fourth edition includes a CD with fillable PDF forms.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote. really sure why. Maybe minds are meant to fall apart when they're as delicately stitched together as mine? Ooh or I'm picking at the metaphorical seams because I'm just so godsdamned bored! Yas. Let's make this an intentional thing. Consequences of choices are always easier to stomach. Even if they're shitty. Mm. Learn to trust your audience, right? You're all such bright young things.
