

Dangerous Secrets: Callaghan Brothers, Book 1

Two secret pasts... one passionate love story. Taryn Malone is stranded, broke, and desperate for help. But even if the sexy bartender shes been eyeing offers her a job for the evening... even if he seduces her with his impossibly intense blue eyes... even if every fiber of her heart tells her to stay with him... she cant. Because Taryn Malone doesnt exist. Jake Callaghan has been running the familys Irish pub for years now. When he sees Taryn standing out alone in the rain, he does what hes been trained to do as a SEAL - he rescues her. It has nothing to do with her full, firm curves, or her loose, golden-blond hair, or the way she brushes against him that sends lightning bolts through his body. Its just the right thing to do.

Really. But both Taryn and Jake are hiding secrets from each other. Dangerous secrets. And neither one of them knows just how dangerous it can be to fall in love...

Fortunately for his kingdom his young queen, Bywyd was as

sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
