

Common Law Community Training Manual: Establishing the Reign of Natural Liberty: The Common Law and its Courts

Many people are plagued by the injustice of the courts, police, schools, banks, social services and the NHS. As citizens of a common law based judicial system, we have the right to come together in our local communities and convene a common law court in full lawful legitimacy. We are capable of judging and sentencing any person, business or organization fairly regardless of the status they hold in society. A court convened randomly by the public can be trusted to judge fairly with no ulterior motives. Our sentences are enforced by local community members acting as peace officers who are sworn agents of the court directed by our court appointed sheriff.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet $\hat{\phi}\hat{\Lambda}\hat{\epsilon}\hat{\Lambda}\hat{\omega}$ May it please your Majesty. $\hat{\phi}\hat{\Lambda}\hat{\epsilon}\hat{\Lambda}\hat{\omega}$ So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning

and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
