

Surviving Love (Montana Wilds Book 1)

From the USA Today Bestselling Author, Willow Summers, comes a story about second chance love and following your dreams. Sara thought she had it all, but when her life turns upside-down, she does the only thing she can think of: pack up and follow a childhood dream. She takes a job on a dude ranch in rural Montana hoping to pick up the pieces. She never thought she'd see him again. Mike Frost is all grown up. 6'2" of solid muscle, has the best friend from her youth, and the man every woman wants. With a list of successes a mile long, Mike has it all. Except for the one that got away. Sometimes you have to start over to find your happily ever after. **This is a full length, stand alone book with HEA.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives.

And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
