

Kitchen Happiness Wall Calendar 2016

Introducing a chic and trendy kitchen-brightening calendar for cooks and fans of Scandinavian and midcentury modern design. Graphic designer Jan Skácelík produces work that's simultaneously modern and retro—and vibrantly appealing. Kitchen Happiness is a collection of twelve cooking-and entertaining-themed illustrations that combine upbeat hand-lettered mottoes with bold, lively graphics. Each month's spread includes detailed text: cooking and entertaining tips, useful conversions, and even classic cocktail recipes (oh, yes!). Hang it in the kitchen for a splash of color and panache.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday,

Eirwyn was already tired of the dusty words she had learned by rote. POSTED IN WRITING TAGGED BLOG, CAMP NANOWRIMO, FAIRY TALE, FEEDBACK PLZ?, WRITING vibrato POSTED ON JULY 8, 2015 OK.
