

Cocked: A Stepbrother Romance

Heâ€™s cocked and always ready, my stepbrother the thief ...

Heâ€™s a thug and a grifter, always looking for something new to fill the hole inside of him. Five years ago, Camden disappeared. Nothing was the same after that. My familyâ€™s life was completely changed forever. We all thought he was dead. Until one day he showed back up on our doorstep, grinning his delicious smile. I hate him for what he did. We were as close as could be, and then he was gone, taking a piece of me with him. But something changed him. Heâ€™s still drop-dead handsome, with a toned body and a cocky swagger that never quits, but thereâ€™s a darkness inside of him now. I know heâ€™s hiding the truth. People donâ€™t just come back from the dead for no reason. I hate how badly I want him, but I canâ€™t look away when he strips off his shirt and laughs at me for staring. He even throws me over his shoulder and carries me off when Iâ€™m not doing exactly what he wants. Heâ€™s the biggest asshole I know. But his past is coming back with a vengeance, and weâ€™re all in the crosshairs. Heâ€™s the only thing standing between our family and the darkness that wants to tear us apart.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
