Red Book SEALS Novella #1  
32,000 words Approximately 120 pages \*\*\*\*Bound by Seduction takes place several weeks prior to the events in Forged in Ash. Nor is it part of the four book story arc that spans Forged in Fire, Forged in Ash, Forged in Smoke and Forged in Ember. Bound by Seduction is a short contemporary romance that focuses on the budding romance between two of the secondary characters in Ash. While Aiden™s and Demi™s storyline will continue in a full length romantic suspense novel, it will be a standalone romantic thriller and will not be part of the Fire story arc.\*\*\*\* Bound By Seduction A woman on the prowl! After three years of grieving, widow Demi Barnes is ready for another relationship—a purely physical relationship. One that won't involve her heart, interfere with her life or tarnish the love she still carries for her beloved husband. Aiden Winchester, her best friend™s brother, fits the bill. As an active operator within the elite SEAL program, he rarely home, and his dangerous career insures she'll lock down any stray feelings for fear he'll break her already fragile heart. And then there's the way his long, lean body, chiseled features and delicious ass launch a full array of tingles, chills and hormonal meltdowns whenever he's near. The problem? Aiden™s barely aware she exists. A SEAL on a mission! Aiden Winchester wanted Demi Barnes the moment his sister introduced them, but she was married and off limits. After her husband™s death, he batted down his hunger and waited for her to open herself emotionally. But when he discovers the woman

heâ€™s lusted after for five long years is about to embark on a rebound fling with someone else, itâ€™s full steam ahead and all ammunition on deck. The only man Demi will take to bedâ€™or on the kitchen table or up against the wallâ€™is him. And it won't be a short-term fling. A double-edged seductionâ€™! On the battlefield of desire every advantage counts, so when a persistent admirer turns stalker, Aiden grabs the opportunity to move in with Demi under the guise of protection. The two square off in a close-quarters battle of the heartâ€™but when the passion settles and the sheets cool, will their connection prove fleeting or permanent?

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet *Ã¢ÄÂœ*May it please your Majesty.*Ã¢ÄÂ•* So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects

of the dragon that she must must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
