

SEAL of a Lifetime: A Sexy Standalone Contemporary Romance

Benjamin never let anything get in his way until a battlefield injury sent him to the sidelines. He's determined to return to his team, and equally determined to get to know his sexy physical therapist. Too bad she's a stickler for following the rules, which means keeping things professional no matter how hot their shared physical attraction. Paige Kelly was already abandoned by one adrenaline-seeking man in uniform, so even if Mitch wasn't her patient she wouldn't go there. If only he'd slow down with both the training and the flirting—he's pushing both her and his body way too hard. Soon, intense passion trumps professional boundaries and Paige discovers the depth of the man behind the tough SEAL facade and the sexy banter. But when Mitch insists he's ready to rejoin his team and Paige knows he still needs to heal, the deep connection they were starting to build is put in jeopardy. Will Mitch learn to trust Paige's opinion before he takes a risk that could destroy his body and cost him the woman he loves? And will Paige discover Mitch is the one man she can count on today, tomorrow, and always?

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
