

Bastards Baby: A Bad Boy Secret Baby Romance (Barone Crime Family)

I need his help. Vince Mori is my enemy. Hes an infamous Italian mobster, all ripped muscles and dangerous tattoos. Hes a cocky a**hole, and for just one night that was exactly what I was looking for. He was a wild ride, a way to rebel against my strict family. And he doesnt know that hes the father of my baby. Im the daughter of one of the most feared Russian mob bosses in the city. When I give birth to my baby boy Alexei, my father wants to tear my child away from me. I wont let that happen. They may be my family, but Ill do whatever it takes to keep my baby. The Russians are at war with the Italians, but I know Vince is my only chance. When I run away from home and ask him for help, Im risking my life to save my son. Vince is everything Im supposed to hate, but secretly cant get enough of. Hes only interested in teasing me mercilessly with his dirty mouth and frustrating grin. Now Im trapped in the Italian mobs mansion, living next door to my babys father. I need their protection, but the war is escalating faster every day. If the cocky jerk Vince Mori cant learn what it means to be a father, I might be totally screwed. Bastards Baby is heart-pounding violent, very sexy, and features a hero with a dirty mouth. Its only recommended for audiences 18+. Bastards Baby is a standalone, full-length novel. No cliffhanger. Guaranteed HEA.

Fortunately for his kingdom his young queen, Bywyd was as sharp as he was dull. She advised him in all matters of state, and benevolently attended concerned citizens and visiting dignitaries alike, always with a graceful nod to her husband and a quiet "May it please your Majesty." So it was that they ruled in peace for many years troubled only by the lack of Ysbryd-ane an heir to carry on the divine dragon blood of Gwirions ancestors. When Bywyd found herself full with child at last she rejoiced that their kingdom would be secured, their rule assuredly peaceful for the rest of their lives. And when the child was born, with raven black hair so dark against eyes as blue as lightning and skin as pale as snow, they called her Eirwyn and raised her to understand the five aspects of the dragon that she must ever personify to rule her people. Before her sixth birthday, Eirwyn was already tired of the dusty words she had learned by rote.
